

NEW

The Draygon 5 SL Industrial Vacuum Package

Performance, Reliability, Versatility

- Lightweight, highly maneuverable, extremely quiet, the SL Vacuums feature rear swiveling wheels with locking brakes
- The polyester main filter can be quickly and easily cleaned by the external manual filter shaker that maintains the vacuum's maximum suction and filtration capabilities
- A unique release lever lowers the wheeled collection container for fast and easy disposal of collected debris
- The HEPA filter ensures that 99.97% of particles are retained, down to and including 0.3 microns in size.
- The high pressure pump increases H₂O lift to 200'
- 4.8 KW 460 V 60 Hz 3 PH 14.8 Amps

Complete Package Includes: 5 SL Vacuum, Pre-Separator. 3 45' Hoses, Double Curved Wand, 16" Nozzle, 70 mm—50 mm Y connector, 70 mm—50 mm Straight Inlet Connector
